## BANANA

The 'Banana' Casket is one of our elegant choices from the Greenature range. Local craftsmen in Indonesia collect only the mature leaves from the banana and pandanus plants in the wild so that it continues to regenerate. The dried, sustainable fibres are then hand twisted and braided into a rope. This is skilfully woven over the casket frame to create an elegant two tone wicker contrast. lined with bamboo fibre lining and a pillow filled with natural plantation pine wood chip for an eco-friendly finish. The caskets are skilfully hand woven in Indonesia by WFTO approved artisan craftsmen.
